## Pool Party

by Lois

On Saturday July 21<sup>st</sup> we had our third party. We served 69 hungry residents of which 10 were over 90. Sloppy Joe's, Hot Dogs and Brats with the fixings were enjoyed by the attendees. The weather was great and lots enjoyed card games. Pop-corn (Candy) and refreshments were served.

Door prizes winners:

Pat Morrow won a free ticket to the Labor Day Party on Monday September 3rd.

Anna McManaman won a Free ticket to the Aug pool party.

As Thelma Gulden already gets a free ticket (90's), she drew Bob Procter to win another Aug ticket.

Barb Priest won the 50/50 drawing

Thanks go out to all the volunteers who helped make the day so successful. Special thanks to Karen, Rich, Dee Dee and Phil for the extra help. Oh it did rain before the party.

Remember get your tickets for the next Pool Party on Aug 11<sup>th</sup>.

## MICE-K-TEERS

By Sharon Rump

Our Aug meeting will be held on the 13th at 10:00 am.

We have lots of equipment in the lab which is available for members to use. We will review some of what is available and how to use it. We will do a demo of the photo scanner and show how easy it is to digitize that stack of photos that you have hiding under your bed or tucked away in a box in the back of your closet.

If there is something of interest to you that you would like us to cover/review, let me know and we will see what we can do.

We will still try and use our help-line 856-322-6490. Call and leave a message as to what help you need.

Happy Computing!

Ladies Day Out at Olive Garden

# MANAGER'S CORNER

By Sabrina Wengerd

**W**e have a beautiful new landscaped boulevard and I have heard nothing but positive comments. I would like to thank Sharon Bailey, Bonnie Hoover and Shirley Yoder for their work on the plant designs, they did a wonderful job. I would also like to thank those of you who are having your landscape maintained while you are away. I am still sending out reminders for unacceptable landscape maintenance and most residents are responding promptly.

Many of you may have noticed the keypad at the Fruitville gate entrance was faded and difficult to read the numbers. A new keypad has been installed and the numbers are much easier to read.

We hope all are having a pleasant summer and look forward to seeing you in the Fall.

## THE SHUFFLE NEWS

by. S. Yoder

**A**s I write this article we are half way through the summer months. In days gone by, in our other life as we like to call it, this was the time we tried to get family vacations between the weeks of band camp, cheerleading camp, church camp, volley ball camp and all of the other activities that children were involved with, and then came the start of the new school year. Now it seems, we here in Oakwood Manor Paradise, have summer from the middle of April through October and then we have “in season” with all of our friends arriving from parts unknown.

The lazy days of summer are really enjoyable—for a while—then we are all rested and ready for some action that begins as the snow angels start returning. Lois works so hard all summer, taking care of “THINGS” and doing the monthly pool parties. The numbers are not many, but enough to make for a fun time and easy cooking and crowd management. Thanks Lois and all of your “peep’s,” who work so hard to make the parties fun and successful.

In the July Acorn I mentioned waiting for a quote from the second landscaping company. I am so pleased to tell you all that THE QUOTE CAME WITHIN BUDGET! And even better news—as of this article (one month later) the boulevard has been transformed. It is beautiful. If you happen to be face book folks, you can search for Lois Charen’s post and see the video’s that she has posted.

Mr. Baldo (just know his last name) took our hard work and tried to make it work as we suggested. If he couldn’t get the exact plant/bush, he was in conversation with Sabrina and myself, to see if we would be agreeable to his suggestions. His suggestion’s, on both occasions, were that what we had suggested for that area would not be available until fall. His company worked on the hottest days, all day, and on Saturday, planting and putting down mulch. Oakwood Manor residents, it is beautiful. Our grand entrance is worth slowing down to take a “good look see” as you

enter the park. Someone mentioned in a post about having this same beauty during the winter months. With the plantings that we choose, there will be some color somewhere at all seasons. Even if it is only the foliage. The variety of plants and different blooming times will be interesting to see what blooms when and how long. The black mulch really sets it off. BEAUTIFUL FOLKS, and we can be PROUD of the entrance to OAKWOOD MANOR, the best kept secret in Sarasota.

This summer our park manager has been so vigil with checking for problems with weeds and other issues that need constant attention. Both side porches have been painted to match the front walk coming to the sliding doors. Really looks nice. For those of you who call this your winter home, please, just know how much we, those that live here all the time, appreciate the way that most yards are being maintained and weeded this summer. It helps make the whole community a better place in which to live and enjoy.

Still nothing much going on at the shuffle board courts. Over the July 4th week, we had numerous extended family visitors, with children, all ages and sizes. In late evening after the temperatures cooled down a bit, we did see whole families playing shuffle board and mini-golf. It is fun to see the next generation or two, coming to Oakwood and enjoying our amenities. In conversation with one young couple who hailed from Ohio, “Our kids love it here and didn’t even care to go to the beach.” Between the pool, shuffle board, mini golf and riding bikes, the kids were very busy, safe, and content to just stay within the boundaries’ of Oakwood Manor.

Pete wants to thank everyone for all the prayers and cards during and following his heart surgery. All were felt and appreciated.

Until next time around  
Happy Trails

## WELCOME TO YOUR SHARE IN PARADISE

By Cindy Lavezzo

**L**ets give a big Oakwood Manor welcome to Rhonda Florian! Rhonda is a "baby" in senior community terms (or perhaps I'm just feeling old). Rhonda is the daughter of Levi and Millie Schmucker and after visiting her parents at Oakwood for the past 17 years, was dismayed when her folks talked of selling their share of paradise. But like so many of us second generation residents, she knew just what to do....she just bought the house from them. Now that's a real win win for us. Levi and Millie can enjoy Florida and Oakwood gets Rhonda as a new resident!

Rhonda is an avid reader and she loves watching movies. She also likes to swim and ride her bike. Another pass time is sewing. I forgot to ask if she is interested in quilting, but I'll bet one of our Oakwood quilters will find out. Rhonda has quite a clan, 5 children and 17 grandchildren. Her oldest grandson will be a high school senior this fall, so that means there are a lot of youngsters to keep her busy.

The Florian family owns a transportation company in West Lafayette, Indiana near the campus of Purdue University. Rhonda's husband passed away last November but the kids have stepped in to help run the company. I wasn't sure what a transportation company does exactly but it turns out they can do just about any road transport job you might need. A normal day sees a bunch of regularly scheduled airport shuttle runs but other more unusual jobs like following 26 kids and their chaperones on a 30 day cross country bike trip, are not uncommon. Rhonda has lots of neat stories to share, so please take the time to introduce yourself and get to know one of our new young residents. 🌿

## Summer Fun - Pickleball For Oakwood Manor Residents

By Gail Glickman

**P**ickleball continues over the summer every Tuesday, Thursday and Saturday and we welcome new players all the time. However, we surely miss having the court here at Oakwood Manor so we could encourage even more people to join us at this fun game. Please contact Alice DeLair if you wish to learn how to play.

We are reminded constantly how widespread the game has become with new courts being created all over the country. Pickleball is the fastest growing sport in the country. One article we read described the beneficial effects of playing pickleball at, of all places, a prison. The inmates are kept busy with an activity that engages them and keeps them out of trouble.

Recently we learned about pickleball fever at Heritage Village, where Judy and Neil Cowan reside during the summer. At Heritage Village, pickleball has become an organized and approved activity, paving the way for the pickleball round robin regularly scheduled. By this past spring, the number of players increased to 65. Here are some comments from an enthusiastic Heritage Village player.

As a former tennis player living in Heritage Village who now only plays pickleball:

- Pickleball is less strenuous for older players.
- The games are shorter and allow for short breaks to rest between games.
- The pickleball members are super friendly. It is such fun!
- The whole country is switching to or adding pickleball courts to their facilities. 🌿
